

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

October 2, 2003

### **S. 1131**

### **Veterans' Compensation Cost-of-Living Adjustment Act of 2003**

*As ordered reported by the Senate Committee on Veterans' Affairs on September 30, 2003*

S. 1131 would increase the amounts paid to veterans for disability compensation and to their survivors for dependency and indemnity compensation by the same cost-of-living adjustment (COLA) payable to Social Security recipients. The increase would take effect on December 1, 2003, and the results of the adjustment would be rounded to the next lower dollar.

The COLA that would be authorized by this bill is assumed in the budget resolution baseline, pursuant to section 257 of the Balanced Budget and Emergency Deficit Control Act, and savings from rounding it down were achieved by the Balanced Budget Act of 1997 (Public Law 105-33). The authority to round down the COLA increase was extended to 2011 by the Veterans Education and Benefits Expansion Act of 2001 (Public Law 107-103).

Because the COLA is assumed in the baseline, the COLA provision would have no budgetary effect relative to the baseline. Relative to current law, CBO estimates that enacting this provision would increase spending for these programs by about \$420 million in 2004. (The annualized cost would be about \$560 million in subsequent years.) This estimate assumes that the COLA effective on December 1, 2003, would be 2.2 percent.

S. 1131 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

On May 16, 2003, CBO transmitted a cost estimate for H.R. 1683 (an identically titled bill), as ordered reported by the House Committee on Veterans' Affairs on May 15, 2003. On April 25, 2003, CBO transmitted a cost estimate for H.R. 1683 as introduced on April 9, 2003. The three versions of the legislation are identical, as are the three estimates.

The CBO staff contact is Dwayne M. Wright. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
